Hi Ursula And Janetta,

I haven't visited with either one of you in a very long time. I guess that means I have not had and problems to be solved. That is what you get for being problem solvers.

A sub contractor that works for Hill has been very delinquent paying my rental agency for equipment rented. Can you tell me the steps I need to take to recover from Hill.

Sorry I had to bring this to you but I have exhausted all other avenues.
